

A modern, minimalist building at night, illuminated from within. The building features a large, curved glass facade that reflects the interior lights and the surrounding environment. The building is situated on a grassy area, and a pool of water in the foreground perfectly reflects the building's structure and the warm glow of the interior lights. The sky is dark, and a few distant lights are visible on the horizon.

**Belysningsdiagram**

heart

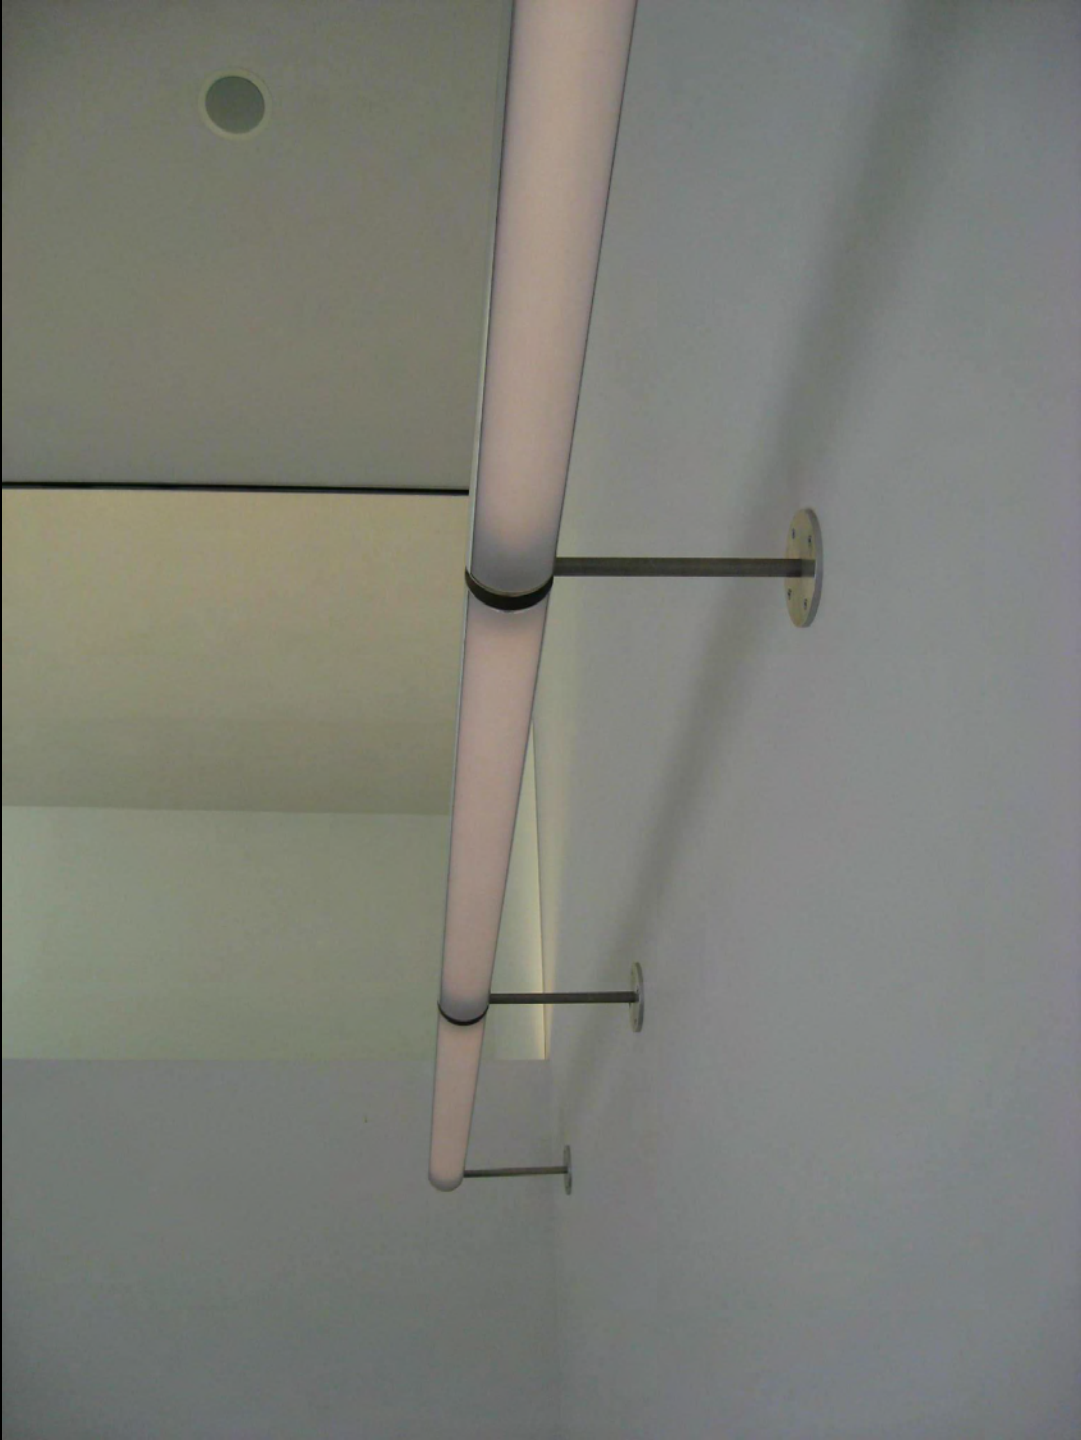

A photograph of a modern interior space, likely a gallery or museum. The room features a curved, white ceiling with several recessed spotlights. A white wall in the background has the word "heart" written in large, black, lowercase letters. To the left, there is a dark, rectangular structure, possibly a reception desk or a partition wall, with a white top surface. In the background, a white door is visible, and a balcony or mezzanine level can be seen on the left side. The floor is a light-colored, polished surface.

TABACCHI

A photograph of a modern building at night. The building features a large, curved glass facade that is illuminated from within, creating a warm glow. The building is reflected in a pool of water in the foreground. The sky is dark, and the overall scene is a high-contrast architectural study.
